2. COMPLIANCE

- (a) The Corporation's Board of Directors has appointed a person to the position of Compliance Officer.

- (b) The Compliance Officer shall oversee this Policy and shall report directly to the Corporation's Board of Directors.
- (c) The Corporation's Board of Directors shall review compliance with this Policy on a quarterly basis.

3. RESPONSIBILITIES OF THE COMPLIANCE OFFICER

The Compliance Officer shall be responsible for:

- (a) establishing and maintaining the practices and procedures necessary to implement this Policy and prevent any violation of its provisions;
- (b) appointing country-specific compliance deputies to assist Compliance Officer, as needed;

- (d) implementing a training program on the substance of this Policy to be completed by all such Employees, Agents and Contractors as the Compliance Officer deems appropriate;

- (c) not offer, directly or indirectly, accept, promise, pay or authorise a Bribe, Improper Payment or Illegal Benefit to any Public Official to any third party (entity or individual) with intent to influence them in their capacity, whether or not it would be an offence for the official himself to accept the bribe within Ukrainian or an overseas jurisdiction.

For the avoidance of doubt, the Corporation, its Employees, Agents and Contractors are prohibited to offer to pay or to pay any money or other Benefit to Public Officials or to any entity or individual (“**Party**”) for the purpose of: (i) the impact of any act or decision of such

Public Officials or any other Party under his / her official duties; (ii) the inducement of such Public Official or any other Party to perform or not to perform any act in violation of his / her legal obligations; (iii) inducement of Public Official or any other Party to use his/her influence or authority towards adoption of a certain decision or commitment of an act; and/or (iv) obtain or retain business for the Corporation. "Obtain or retain business" is interpreted broadly, including any actions that provide the Corporation unlawful commercial advantage (in general terms) compared with other company doing business in Ukraine or abroad.

There is no set monetary threshold that defines an Improper Payment or Illegal Benefit and there is no need for Improper Payment or Illegal Benefit to be successful to be viewed as corrupt, as the offering of it is enough to amount to a criminal offence. This principle applies equally in Ukraine or abroad.

The Corporation will not tolerate its Employees and/or Agents and/or Contractors or other representatives being involved in any level of Bribe or Corruption Offences. All reported incidents of actual or suspected Improper Payment or Illegal Benefit or Corruption Offences will be promptly and thoroughly investigated and dealt with appropriately.

In all cases, the gift or hospitality should be of token and non-material value, must be reasonable and appropriate in the circumstances, and should not lead and would not reasonably be seen as leading to any obligation on the part of the recipient.

Outside of Ukraine, gifts or hospitality costing \$250 or more must be approved in advance in writing by the Corporation's Compliance Officer.

When multiple gifts are given on a single occasion, the approval requirements are based on the aggregate cost of the gifts received by any specific recipient. All proposals for gifts that require approval must be accompanied by a report indicating any other reportable gifts given by the Corporation to the proposed recipient within the previous twelve months.

The Corporation's Compliance Officer may establish and implement specific procedures governing gifts or hospitality for the benefit of private or commercial recipients to enable certain senior Employees to have certain defined discretion to provide gifts or hospitality at or above the limits described above without prior consent of the Compliance Officer, only in instances where the matter is time-sensitive and the Compliance Officer is not available to provide that consent.
